Nicholas Carncross from Green Bay, WI is a senior graduating with a music performance degree. Nick is a trumpet player and has performed in multiple ensembles during his tenure here. Nick has been very active in the wind ensemble and jazz ensemble, playing in both almost every semester. He also enjoys playing trombone in concert band after he took one semester of lessons with Dr. High. In his free time Nick can be found in the campus center pretending to know martial arts by practicing with the punching bag. The last group that he is a part of is the fraternity Delta Upsilon on campus. He would like to thank his family, friends, and especially Dr. Cook for supporting him while making his long way through St. Norbert college. Carncross' plan is to get his DMA in trumpet performance and become a professor of trumpet.

Caitlin Deuchert is a computer science and mathematics double major and music minor from McHenry, IL. Over the past four years she has participated in Math Club, Circle K, and various instrumental ensembles on campus. After graduation, Caitlin will be packing up her things and moving on over to Appleton to begin working full time at Thrivent Financial. In her time away from work, she hopes to volunteer and continue to play music. She has truly enjoyed her time in the music department here at St. Norbert College, and would like to thank the music faculty for pushing her outside of her comfort zone and to be a better musician. Caitlin would also like to thank her family, friends, and all her professors for their support over these past four years.

Charlie DeVillers is an Instrumental Performance Major (Tuba) from Green Bay, WI. While at St. Norbert College, Charlie has performed with the SNC Wind Ensemble, Jazz Band, and Knights on Broadway. He has also acted as Pit Director for Knight Theatre and has been involved with NAFME throughout his college career. After graduation, Charlie plans to pursue a master's degree in commercial music. While there, he would like to focus his studies on electric bass performance, jazz studies, and musical theater pit orchestra performance.

Jade Rohloff from Cecil, Wisconsin is a senior graduating Cum Laude this year with degrees in Economics and Mathematics with a minor in music. In his time at St. Norbert College, he has studied piano under Dr. Krueger and Mrs. Moss while participating in a bevy of music ensembles, including Jazz Ensemble, Wind Ensemble, Concert Band, Men's Choir, and Chamber Singers. In addition, he has participated in the pit ensemble for the J-Term musicals "Into the Woods" and "Chicago". Jade is also a member of Pi Mu Epsilon, the Math Club, Cru, and the CBEA of St. Norbert College. Jade also expels his extra energy and free time playing basketball one-on-one with Collin Hess, gaming with his fellow housemates, or playing keys in the semi-famous, SNC group, "Daoust and the Boys of Thunder". Jade has started his career as a

representative for Primerica, and is intrigued by any and all opportunities regarding sports and data analytics.

Lizzie Tesch, from Seymour, Wisconsin, is a senior Music and English double major graduating with a degree in Music Performance. She has participated in many St. Norbert Ensembles throughout the past four years, including Wind Ensemble, Jazz Band, Concert Band, Bell Choir, Saxophone Ensemble, and Community Band. In addition, Lizzie has served as the Instrumental Music Librarian for three years and is a member of Knights on Broadway. Outside the music department, Lizzie is president of Omicron Delta Kappa and National Residence Hall Honorary, co-president of Sigma Tau Delta, and has actively worked with several other departments on campus. Following graduation in May, Lizzie can actually say “I’m going to Disney World,” as she will be participating in the Disney College Program in Orlando, Florida as a Photo pass Photographer this fall before pursuing a Master’s Degree in Orchestral Conducting. She would like to thank her family and friends for their support and encouragement over the years, and especially Dr. High, Dr. Cook, Kent Paulsen, and the entire St. Norbert College Music Department for more than she can ever put into words.
